From the Desk of the Principal

Dear Parents,

Warm greetings from Kohana International School.

As we come to the close of the Second Term, I would like to take this opportunity to reflect on a term filled with enthusiasm, hard work, and many memorable milestones.

The Second Term began with great excitement and a strong academic focus. Our students demonstrated commendable dedication as they prepared for the Mid-Year Assessments, which also served as the first mock assessment for our IGCSE learners, conducted in September. Their perseverance and commitment were truly encouraging.

One of the most significant achievements this academic year has been the launch of Kohana's first batch of Cambridge A-Level learners in August. This milestone marks an important step in our journey, and we are extremely proud to now offer a complete Cambridge pathway.

Alongside rigorous teaching and learning, the term was enriched with exciting educational and field visits, all of which were thoroughly enjoyed by our learners. In addition, our senior students actively participated in a CSR initiative, choosing to engage in a beach-cleaning drive at a beach in Kawasaki. This meaningful experience helped them develop a sense of responsibility, empathy, and community service.

The highlight of the term was undoubtedly the celebration of Kohana's 10 years of existence, marked by our Annual Day on 9th December. It was a joyful and proud occasion featuring award ceremonies, medals, trophies, and certificates for achievers, along with outstanding performances through dance, skits, musical presentations, and the school band. The effort and dedication shown by both students and teachers behind the scenes were truly remarkable.

Another major accomplishment this term was hosting the Cambridge October/November Examination Series for the first time. In addition to Kohana learners, students from several international schools across Tokyo chose Kohana as their Cambridge Examination Centre. This achievement reflects the growing trust in our institution and is a moment of great pride for the entire Kohana community.

During this term, Kohana also welcomed several new teachers, recruited both locally and internationally. Their expertise and passion further strengthen our growing school. Kohana continues to evolve, and this growth would not be possible without your trust, encouragement, and unwavering support.

As we look ahead, we are excited to begin the Third and final academic term on 5th January 2026. We are confident it will be another productive and fulfilling phase for our learners.

On behalf of the Kohana family, I wish you and your loved ones a joyful Christmas and a prosperous, peaceful New Year 2026.

Thank you once again for being an integral part of our journey.

Warm regards,

Dr Nishant Mishra

小花学校生活について

What Our Parents Are Saying.....

"Kohana has been a warm and nurturing environment where children can learn creatively and enjoy coming to school each day. The caring teachers and engaging activities have given our children many positive experiences, and they always look forward to being at school. We truly appreciate the school's continuous efforts to support both learning and emotional well-being. We are very grateful to be part of the Kohana community."

Hoang San

"Kohana has provided many opportunities beyond daily classes, including participation in the Olympics and challenges such as Logiqids, and we have seen great growth in our child's learning. Our child has become more motivated to take on new challenges and has developed a more positive attitude toward studying. We have also noticed growth outside academics through school life—how to interact with friends, show kindness, and think and act independently. We sincerely appreciate the teachers' warm support and guidance"

Midori Nakayama

"Kohana International School provides a fantastic learning environment, and a huge part of that success is due to its incredible teachers and supportive leadership. We've been consistently impressed by their dedication and the profound positive impact they've had on our daughter, Miraya Arora.

The teachers at Kohana truly go the extra mile to ensure students not only grasp academic concepts but also develop into confident and well-rounded individuals. We are so grateful for the hard work, professionalism, and genuine care that these teachers, and indeed all the staff and leadership at Kohana International School, pour into their students. They are truly shaping young minds for a bright future!"

Deepthi Sethi

"Our son Sho is excited to go to school every day at Kohana. The staff cares about the students and puts a lot of effort into all classes and activities. Sho is quickly learning English through his studies and attendance at Kohana. Thank you!"

Teruya Shimura

"We are extremely proud of our son, Miraaj, and the remarkable growth he has shown as a 3rd grader at Kohana. Every day he comes home with a bright smile, excited to share all the new things he has learned. Miraaj has discovered a genuine passion for learning, and we are truly grateful to his teachers and the school for nurturing his curiosity and strengthening his confidence. Seeing him develop into a caring, dedicated, and enthusiastic learner brings us great joy.

We sincerely thank the entire Kohana family for supporting our son and helping him blossom!"

Madhab Prasad Neupane

What Our Parents Are Saying

“Mattia enjoys going to school every day. He is fortunate to be surrounded by good friends and to be in an environment where he can focus on learning with enthusiasm. We truly appreciate the warm support from all the teachers and staff, and we are especially grateful for the subject teachers who carefully observe and support each child’s progress. While we were already familiar with the Cambridge Curriculum, we have once again realized that it is a global standard and an academically outstanding framework.

For families seeking a strong and well-rounded learning environment, we highly recommend Kohana.”

Anna Sasaki

“My daughter goes to kohana since nursery. Such a warmful and lovely school. All teachers are very kind and helpful. Teachers and friends makes her confidence every time. All events are magical performance. It feels like watching professional performance even children. I love the way everyone respect other nationality, cultures, and personality!”

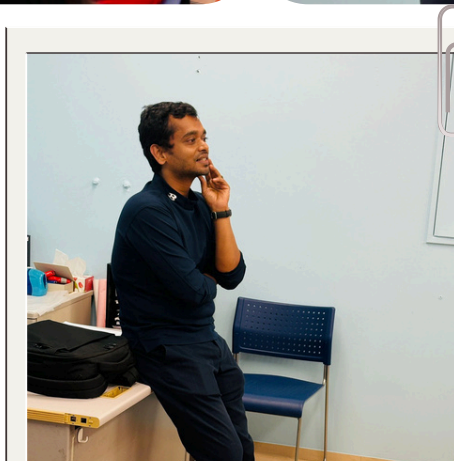

Miku Matsufuji

ARTIFICIAL INTELLIGENCE

We had long been devoted to preparing our students not only for academic distinction but also for the demands of an ever-evolving world. This term, we were delighted to launch our very first Artificial Intelligence After-School Programme—an unprecedented initiative within our ASP clubs—led by Dr. Sucheendra Kumar, a distinguished Computer Scientist and specialist in AI.

This pioneering programme stood as a testament to our commitment to harmonising the rigour of the Cambridge curriculum with the forefront of technological innovation. It offered our learners an exceptional opportunity to explore, comprehend, and meaningfully engage with the field of artificial intelligence.

As one of Japan's leading international schools, we firmly believed that education must extend far beyond the pages of a textbook. Through this initiative, we continued to equip our students with future-ready skills, nurturing them as the global thinkers, innovators, and problem-solvers of tomorrow.

Teaching Discipline and confidence

This term we were equally pleased to introduce Karate as one of our newest After-School Programme offerings. It was the first time that such a discipline had been incorporated into our ASP clubs, marking an exciting addition to our ever-expanding enrichment opportunities.

Under the guidance of a highly skilled and experienced instructor, students were immersed in the traditional art of Karate, learning not only physical techniques but also the values that underpin the practice—respect, discipline, focus, and self-control. The sessions quickly became a highlight of the week, as learners embraced the challenge with enthusiasm and admirable determination.

In keeping with our commitment to providing a holistic educational experience, the Karate programme offered students a meaningful avenue for physical development, character building, and personal confidence. We were proud to see our young learners grow stronger—both in skill and in spirit—through this distinguished and culturally rich addition to our ASP clubs.

Creativity. Imagination. Expression. Colorful thinking.

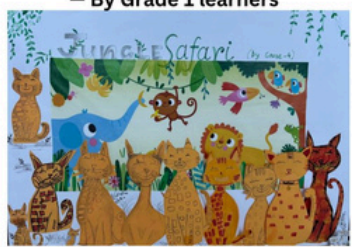

We had always believed in nurturing the whole child through a genuinely holistic approach to education. This term, our Art ASP programme stood as a delightful testament to that philosophy. It not only enriched our students' creativity and self-expression, but also complemented their academic learning by fostering critical thinking, confidence, and refined problem-solving skills.

As this was one of the most cherished additions to our After-School Programme offerings, students immersed themselves in a wide range of artistic techniques and mediums, discovering new ways to interpret the world around them. The sessions provided a calm yet inspiring space where imagination flourished and individuality was celebrated.

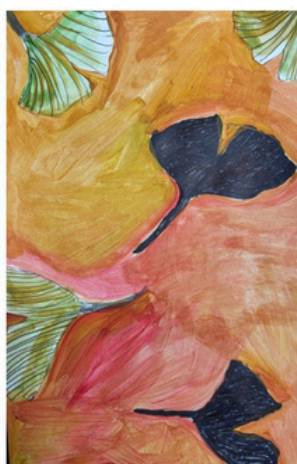

By balancing strong academics with opportunities in the arts, sport, and personal development, Kohana continued to empower students to grow into well-rounded, thoughtful individuals prepared to thrive in an increasingly global society. The Art ASP programme played a meaningful role in that journey, allowing our learners to shine in ways that extended far beyond the classroom.

Teatro Palíndromos Mime Duo -Costa Rica

What a delightful experience it was at Kohana International School. 🥰 This term, we had the honour of welcoming the renowned Teatro Palíndromos Mime Duo from Costa Rica, who graced our campus with their captivating educational performance “Shhhhhh”. Presented in three engaging acts, the show was filled with laughter, light-hearted moments, and a rich exchange of culture and artistry. 🌍 Both students and teachers alike were left with “aching ribs” from the sheer joy of laughter, while also gaining meaningful insights into the worlds of art, drama, and expressive storytelling. At Kohana, we remained committed to offering our learners not only world-class academics, but also enriching global experiences that inspire creativity, broaden perspectives, and nurture a genuine appreciation for the arts.

ENTHUSIASM, DISCIPLINE, AND SPORTSMANSHIP

Kohana International School continues to strengthen its commitment to physical development and teamwork through our weekly sporting activities held at Fujitsu Stadium. Our students take part in a wide range of exercises designed to build coordination, resilience, and cooperative spirit—from energetic warm-ups and skill-building drills to friendly team games that promote strategy and communication. Each session allows our learners to challenge themselves, celebrate movement, and develop healthy routines that support both body and mind. The enthusiasm, discipline, and sportsmanship our students display each week reflect the values we nurture at Kohana: confidence, community, and a love for active learning.

Enthusiasm, Discipline, and Sportsmanship

TKohana International School continues to strengthen its commitment to physical development and teamwork through our weekly sporting activities held at Fujitsu Stadium. Our students take part in a wide range of exercises designed to build coordination, resilience, and cooperative spirit—from energetic warm-ups and skill-building drills to friendly team games that promote strategy and communication. Each session allows our learners to challenge themselves, celebrate movement, and develop healthy routines that support both body and mind. Adrenaline , Rackets and shots .

At Kohana International School, our students continue to develop agility, focus, and coordination through engaging indoor tennis sessions at Megalos. These weekly activities provide a structured and enjoyable way for learners to strengthen motor skills, practice teamwork, and build confidence in a supportive environment. Under guided instruction, students explore racket control, footwork, and cooperative play, all while having fun and staying active. The indoor setting ensures that practice continues smoothly regardless of weather, allowing our students to enjoy consistent, high-quality physical education. Each session reflects Kohana's commitment to holistic growth—cultivating healthy bodies, sharp minds, and a love for movement.

Responsibility. Stewardship. Teamwork. Clean shores.

Our students, teachers, and parents came together to make a tangible difference — one piece of litter at a time! Together, we cleaned Kamakura Beach, demonstrating our commitment to environmental stewardship, fostering community spirit, and embracing the true value of taking action for our planet.

At Kohana International School, we continued to uphold the belief that education extends far beyond the classroom. Experiences like this nurture responsible global citizens who care deeply for the world around them. 🙌👏

Through collective effort and shared purpose, we kept our beaches beautiful, our oceans cleaner, and our hearts united in the joy of making a difference. 💪🌊

History. Discovery. Wonder. Ancient brilliance.

Our students embarked on a fascinating academic journey through history, exploring the wonders of ancient Egypt at the Tutankhamun Museum! 🇪🇬👑 From golden artifacts to intricate hieroglyphs, they experienced firsthand the excitement of discovery, curiosity, and cultural understanding.

At Kohana International School, we have always believed that learning should spark imagination and connect students to the remarkable civilizations that shaped our world. 🌍🌟 Excursions like this encourage inquiry, foster respect for global heritage, and deepen appreciation for human creativity across time. 🧐💡

For us, education extends far beyond textbooks — it is about engaging with the world as a living, inspiring classroom. ❤️

A Memorable Learning Experience

The elementary students of Kohana International School recently enjoyed an exciting and educational field trip to the Ajinomoto facility. This visit gave our young learners a wonderful opportunity to see how food products are made while learning about nutrition, safety, and teamwork in a real-world setting.

During the tour, students observed different stages of production and learned how Ajinomoto maintains high standards of quality and hygiene. The friendly staff explained the process in a simple and engaging way, making it easy for our students to understand and ask curious questions. Many children were especially excited to see the machines in action and discover how everyday ingredients are transformed into finished products.

The trip was not only informative but also inspiring, encouraging students to think about science, health, and responsible food production. We are grateful to Ajinomoto for their warm hospitality and to our teachers and staff for making this meaningful experience possible. It was truly a memorable day of learning beyond the classroom for our elementary students.

Leadership. Service. Character. Adventure.

Building Character, Courage, and Community — Troop 51 Tokyo Visits Kohana International School 🌲🇺🇸

Kohana International School was honoured to welcome a representative from Troop 51 Tokyo, the American Boy Scouts organization, who inspired our students with stories of adventure, teamwork, and leadership. 🌍🌟

Our learners discovered that true education extends beyond the classroom — where character is tested, friendships are forged, and resilience is built through action and service. 🌲🍌

We are grateful to Troop 51 Tokyo for motivating our students to lead with integrity, courage, and compassion, nurturing them into confident and capable global citizens. 🌸🌍

Light. Culture. Joy. Community.

What a spectacular and joy-filled day it was on Saturday, October 18th, Tokaichiba Diwali Festival! ✨

Our talented students delivered outstanding performances, lighting up the stage with music, dance, and energy that truly captured the spirit of Diwali. Their confidence, teamwork, and cultural appreciation filled us with pride and beautifully demonstrated how learning extends far beyond the classroom. 🎭🎵

We have always believed in celebrating diversity and fostering global citizenship. 🌍 Through our Cambridge International Curriculum, we nurture not only academic excellence but also cultural understanding, creativity, and a strong sense of community. 🌟

Kohana proudly served as one of the official sponsors of the Tokaichiba-Kirigaoka Diwali Celebration. As part of our commitment to community engagement, cultural appreciation, and global harmony, we were honoured to support this vibrant festival of lights, which brought together families, neighbours, and friends in the true spirit of celebration.

A heartfelt thank you to all our parents and staff who participated and supported the event. Together, we continue to shine as a school that embraces the world with open hearts and open minds. ❤️

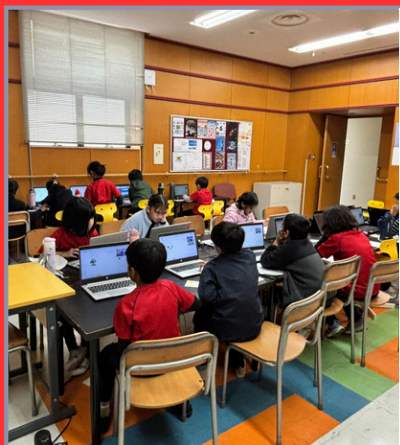

Olympiad Logiqids Assessments

Kohana International School successfully conducted the Olympiad Logiqids Assessments, offering students an exciting opportunity to challenge their logical reasoning, analytical thinking, and problem-solving skills on a global platform. The assessment brought together young minds eager to test their abilities beyond the regular classroom curriculum.

This prestigious Olympiad is designed to nurture critical thinking, creativity, and structured reasoning—skills that are essential for academic excellence and future readiness. Through such initiatives, Kohana continues to promote a culture of intellectual curiosity, confidence, and global competitiveness among its learners.

The event was met with great enthusiasm from students and teachers alike, marking yet another meaningful step in Kohana's commitment to holistic education.

Consistency. Mastery. Reflection. Progress.

Cyclic Examinations stood as an integral part of our academic journey, offering students a structured opportunity to demonstrate understanding, reflect on their progress, and strengthen essential learning habits. Far more than routine tests, these examinations embodied our commitment to academic rigour, consistency, and the pursuit of excellence.

Guided by the Cambridge curriculum, each cycle allowed students to revisit key concepts, refine their skills, and build a solid foundation for future learning. Through this continuous approach, learners developed not only subject mastery but also the virtues of discipline, responsibility, and intellectual curiosity.

At Kohana, we regarded Cyclic Examinations as meaningful checkpoints—moments that highlighted growth, celebrated effort, and reinforced a culture of high expectations. They reflected the values that shape our school community: resilience, global-mindedness, and a dedication to nurturing students who are prepared to excel both inside and beyond the classroom.

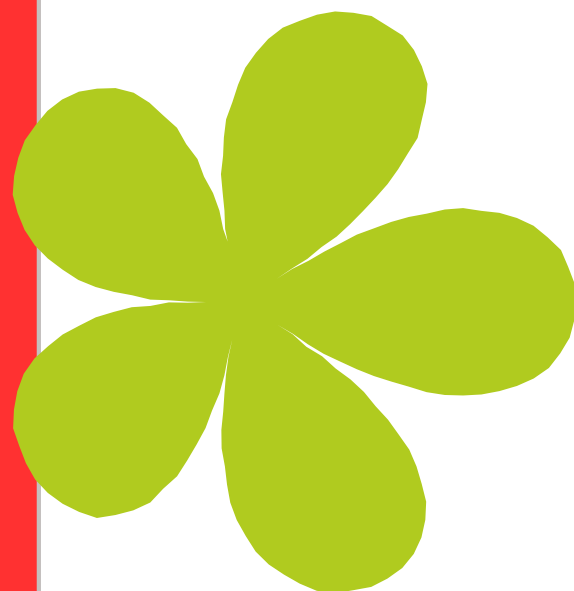

Preparedness. Awareness. Calm. Protection.

The safety and well-being of our students and staff had always remained at the forefront of our mission. This week, we carried out a comprehensive earthquake drill, ensuring that every member of our community was well-prepared, alert, and confident in responding effectively to emergencies.

Our culture of discipline, care, and responsibility extended well beyond the academic sphere, reflecting our unwavering dedication to providing a secure and supportive environment in which students could truly flourish.

By integrating global best practices with Japan's renowned standards of disaster preparedness, Kohana continued to uphold its reputation as one of the leading international schools in the country—safeguarding not only the learning that takes place within our walls, but the lives entrusted to our care.

Unity. Diversity. Peace. Humanity.

We celebrated more than just nations — we celebrated humanity. UN Day served as a wonderful reminder that diversity is our greatest strength and that peace, unity, and understanding begin in the hearts of our students.

Through sharing cultures, traditions, and learning about global cooperation, our learners stood as young ambassadors of hope, empathy, and positive change. Together, they exemplified the values of kindness, respect, and global-mindedness that are at the core of our school community. 🌟

Events like UN Day reaffirm Kohana's commitment to nurturing a generation ready to make the world a better place — one act of kindness, one thoughtful voice, and one inspiring dream at a time.

Fun. Imagination. Costumes. Spooky smiles.

Our youngest learners brought the day to life with their adorable costumes and radiant smiles! 🌟👻

From tiny ghosts to cheerful fairies and brave superheroes, every child at Kohana International Preschool filled the celebration with Halloween magic. 💖🌟

It was a joyful occasion, celebrating imagination, friendship, and fun — capturing the very spirit of Kohana!

Creativity. Excitement. Costumes. Spooky fun.

Our students brought style, humour, and a delightful dash of fright to this year's Kohana Halloween Celebration!

From cleverly crafted costumes to a parade of characters inspired by movies and myths, the day was charged with excitement and creativity. ⚡

Kohana's young leaders once again demonstrated that learning and fun go hand-in-hand, showcasing confidence, teamwork, and unforgettable inventiveness throughout the celebration.

Confidence. Expression. Culture. Achievement.

The halls came alive as our students took the stage for the Annual Japanese Speech Contest. Each speech reflected thought, empathy, and cultural understanding, bridging their global identities with the heart of Japan.

The day was filled with warmth and inspiration, showcasing the confidence, grace, and voice of our remarkable learners. A heartfelt thank you to our teachers, judges, and parents for making this celebration of expression and connection truly special.

G⁷ - Matsumoto Kuranozuke

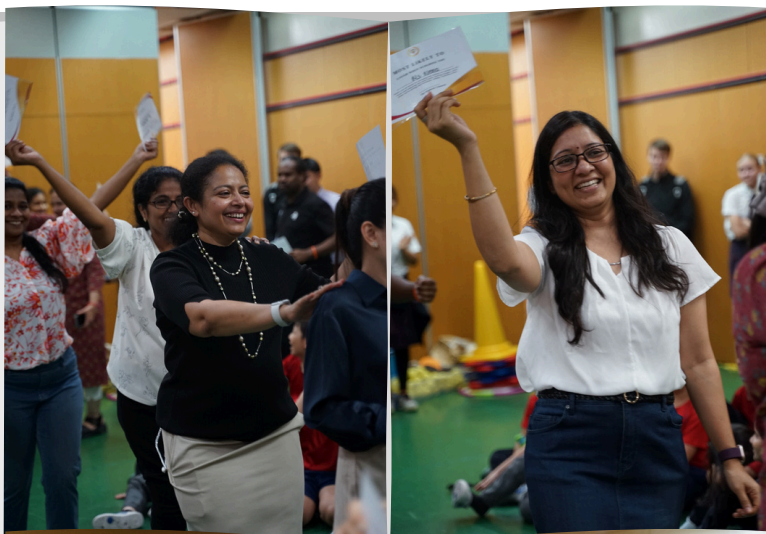

Gratitude. Guidance. Inspiration. Heart.

The day was filled with heartfelt gratitude, laughter, and memorable moments as students and staff came together to honour the exceptional educators who guide, inspire, and nurture every child each day. 🌟

A special note of appreciation was extended to our Director, Ms. Sangeetha, the Kohana Administration, and the ever-dedicated Student Council for organising such a thoughtful celebration — complete with treats, tokens of affection, and beautiful gestures from students that truly touched every teacher's heart. ❤️

The atmosphere brimmed with joy, music, laughter, and togetherness — a perfect reflection of the strong bonds between teachers and students that make Kohana such a remarkable place to learn and grow. 🌈

Here's to our extraordinary teachers — shaping minds, inspiring dreams, and lighting the path toward excellence! Each teacher received a personalized certificate of appreciation, carefully crafted with unique messages and awards that captured their individual strengths, warmth, and contribution to our Kohana community. 🌟📜

Gratitude. Guidance. Inspiration. Heart.

The preschoolers at Kohana International School have enjoyed a vibrant and engaging term filled with meaningful learning and joyful exploration. Our days have been enriched with outdoor adventures to the park, where children develop physical confidence, social skills, and a love for nature through play. In the classroom, students have been learning about and role-playing different professions, encouraging curiosity, imagination, and early career awareness. We proudly celebrate diversity by embracing different cultures, languages, and perspectives, helping our young learners grow with empathy and global understanding. Music, movement, creative activities, and hands-on learning continue to support holistic development, making each day a balance of fun, discovery, and growth. Through these experiences and more, our preschoolers are building strong foundations for lifelong learning in a warm and nurturing environment.

A Decade of Harmony

Annual Day – A Celebration of Excellence & Joy ✨

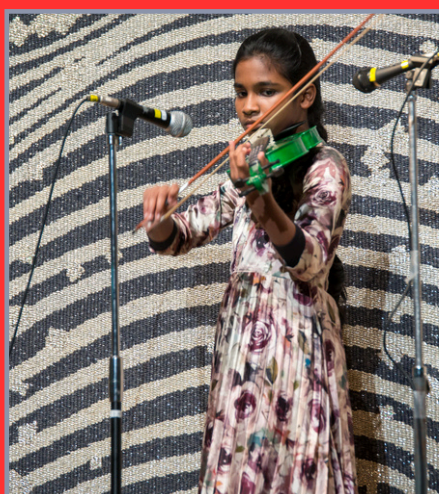

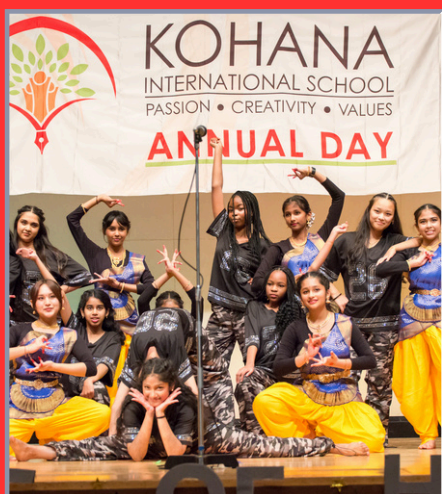

From graceful dances to powerful drama, soulful singing, elegant violin performances, expressive mime acts, inspiring Japanese speeches, an energetic school band, and the proud moment of honoring our top scholars—every grade lit up the stage with brilliance.

The Kohana Annual Day was truly a glorious celebration of talent, teamwork, and triumph, filled with laughter, smiles, and unforgettable memories. It was not just a showcase of performances, but a powerful reflection of the Kohana spirit—excellence in every step and joy in every heart. ✨KohanaSpirit

Confidence. Expression. Culture. Achievement.

Annual Day was nothing short of breathtaking—a vibrant celebration where our students transformed the stage into a world of color, culture, and creativity. Each performance reflected weeks of dedication, teamwork, and joyful learning, as students delivered dances, musical pieces, theatrical scenes, and expressive showcases that left the entire audience in awe. What made the everything extraordinary was not just the talent on display, but the confidence, unity, and pure passion each child brought to the spotlight. From the smallest performers taking their first brave steps on stage to the seasoned upper-grade students leading with maturity and elegance, every moment was a testament to their growth. Annual Day reminded us of the incredible potential within each learner—and the magic that happens when students are encouraged to dream boldly, express freely, and shine proudly.
